

PRODUCT SHEET

MIAMI SIZES: UK 3 TO 14 (7.5 TO 10.5)

Our new Miami side zip boot has been Engineered & Designed by Passion, developed to deliver our customers optimum performance, light weight construction with the highest standard of safety, superior comfort and durability. The Miami side zip collar boot is built with maximum usability and practicality. Features include Fibreglass Composite Toe Cap, TPU/PU Anti-Static outsole as well as breathable bamboo lining and a TPU moulded scuff cap.

DESCRIPTION:

6" Wheat Side Zip Collar Boot

BENEFITS & FEATURES

Premium Quality Cow Nu Buck Leather Upper, Water Resistant

COMPOSITE TOE CAP:

Protects toes against impacts of at least 200 Joules. The fibreglass toe cap weighs less than the conventional steel cap, protects against transmitting electricity, insulates against cold & hot temperatures.

BAMBOO LINING:

Bamboo fibre has a silky soft and smooth texture. Antibacterial properties in the fibre reduces smell or odour at the end of a day's wear. As a natural based fibre, bamboo is able to "wick" moisture away from the skin leaving the foot dry and comfortable, even on hot days.

TONGUE:

Full padded bellows tongue, helps protect from foreign external materials getting inside your boots.

PU/TPU:

Is an Injected moulded outsole, TPU, Thermoplastic Polyurethane is a special type of polyurethane. It's sturdy, abrasive resistant and flexible. TPU provides high performance, is Anti-Static, slip resistant, oil, organic fat and acid resistant outsole. Heat resistant to temperatures of up to 130Deg.

TPU SCUFF CAP:

Moulded TPU Scuff Cap added for extra toe protection.

INSOLE:

Full Polyurethane removable insole, airflow system technology provides superior comfort. Poron shock absorption system pad assembled to ball heel for supreme comfort.

STITCHING:

Heavy Duty Poly Nylon Bonded Thread Stitch with added Triple Stitching.

ANTI-STATIC:

Standards AS/NZS 2210.3:2009
EN ISO 20345:2011
